

Lesson 19: Ratio Test

Assessment Rubric

- **Setup and Setup Evaluation:** (25%)
 - Correctly identifying a_n and a_{n+1} .
 - Forming the correct ratio $\left| \frac{a_{n+1}}{a_n} \right|$.
 - Setting up the limit $\lim_{n \rightarrow \infty}$.
- **Simplification and Calculation:** (25%)
 - Algebraic simplification of the factorial or exponential terms.
 - Correct evaluation of the limit, L .
- **Conclusion/Justification:** (50%)
 - Correctly comparing L to 1.
 - Stating convergence (if $L < 1$) or divergence (if $L > 1$).
 - Identifying when the test is inconclusive ($L = 1$).
